

Deloitte Christmas Charity Event: Helping is Easy!

On 24 December 2015, Deloitte held another charity event.

This year Deloitte Tbilisi supported the association, New Steps, which runs the only day center in the Samgori Region.

The Day Center for Vulnerable Children Aged 6 to 18 educates, feeds, and cares for 34 children from extremely vulnerable families, eight of which have disabilities.

The raffle raised GEL 2,300. Managing Partner John Robinson generously decided to match this amount on behalf of Deloitte, bringing the total amount raised to GEL 4,600.

Deloitte would like to thank the sponsors for their generous donations to the raffle:

Rooms Hotel Kazbegi

Rooms Hotel Tbilisi

Holiday Inn Tbilisi

Premium Residence Hotel Batumi

Betsy's Hotel

Domino's Pizza

Cavea Cinemas

Life Dent

UG Gym

The most urgent needs were identified and the charitable amounts were distributed accordingly. The center needed essential training tools and equipment for their dining room. Forty chairs, six tables, a refrigerator, a kitchen cupboard set, warm clothing, toys, and sweets were purchased for them.

Deloitte thanks everyone for supporting those who were in need this holiday season. This was a very successful fundraiser.

The company will continue to contribute to this good cause. Only together can we make a difference!
