

Deloitte Guest Speaker at Caucasus University

Deloitte Tbilisi and Caucasus University have a longstanding history of collaboration. The latest chapter in the history of this collaborative relationship took place on 14 November, when Deloitte Audit manager Ilia Gudushauri appeared as a guest speaker on financial management at the university and delivered a one-hour lecture on the topic of "Investment Appraisal Techniques/Specific Investment Decisions" to the students. He provided the attendees with both theoretical and practical knowledge on the topic and answered their questions.

The lecture proved to be very interesting and productive, judging by the students' positive feedback and high level of engagement in the event.

Deloitte in Georgia is happy to move to a new stage of collaboration with the Caucasus University and hopes to expand cooperation in the future.
